Dear Madhusmita Mishra,

Re: Offer to Join ThinkDifferent as Co-Founder & Chief Operating Officer

We are delighted to offer you the position of Co-Founder & Chief Operating Officer ("COO") of ThinkDifferent (the "Company"), effective as of **ASPA** (the "Effective Date"). This letter sets out the key terms of your co-founder role. A formal Founders' Agreement, referenced below, will govern the complete legal terms of your equity, vesting, and co-founder relationship with the Company.

1. Role and Responsibilities

As Co-Founder & COO, you will lead business development, sales, and fundraising for the Company, and share overall operational strategy across our product portfolio, which currently includes:

- AHHAR — a multi-tenant, QR-based restaurant management platform

You will work alongside Founder, who will continue to lead product, engineering, and technology. Specific decision rights and areas of authority will be detailed in the Founders' Agreement.

2. Compensation Equity Only

This is an equity-only co-founder role. In consideration of your contribution, you will be granted an equity stake of **5%** of the Company's fully diluted share capital as of the Effective Date (the "Founder Equity"), subject to the vesting schedule below and the full terms of the Founders' Agreement. No cash salary or wages are payable under this offer. Compensation will be revisited by mutual agreement as the Company reaches revenue or funding milestones.

3. Vesting Schedule

- Cliff: 25% of the Founder Equity vests upon completion of twelve (12) continuous months from the Effective Date.
- Monthly vesting: the remaining 75% vests in equal monthly installments over the following thirty-six (36) months.
- Standard leaver and acceleration provisions (good leaver / bad leaver, and any change-of-control acceleration) will be set out in full in the Founders' Agreement.

4. Conditions of This Offer

This offer is contingent upon:

- Execution of a formal Founders' Agreement covering equity, vesting, IP assignment, decision-making rights, and exit/leaver provisions in full.
- Assignment of all intellectual property created in connection with AHHAR, or any other Company initiative to the Company.

- [Any additional conditions — e.g. reference checks, background checks, completion of a trial period]

5. Nature of the Relationship

This offer does not guarantee continued involvement for any specific period. Either party may terminate the co-founder relationship in accordance with the terms set out in the Founders' Agreement, including the treatment of unvested and vested Founder Equity on departure.

6. Confidentiality

You agree to keep confidential all proprietary information relating to AHHAR and any other Company initiative, both during your involvement with the Company and after it ends, except as required by law.

Please indicate your acceptance of this offer by signing and returning a copy of this letter by **25-july-2026**. We are excited about the prospect of building ThinkDifferent together.

Sincerely,

Founder, ThinkDifferent

Acceptance

I, **Madhusmita Mishra**, have read and accept the terms of this offer, subject to execution of the Founders' Agreement referenced above.
